CENTRAL DIVISION

IN RE TEFLON PRODUCTS LIABILITY)	
LITIGATION,)	MDL No. 1733

)	4:06-md-01733-REL-CFB
This Document Relates to All Actions)	
)	ORDER

Beginning with an order dated February 21, 2006, the cases on the attached Schedule A were transferred to this Court for coordinated and consolidated pre-trial proceedings.¹ In an Order entered December 5, 2008, this Court denied plaintiffs' motion for class certification with regard to all consolidated cases then before it. Plaintiffs subsequently sought permission to appeal the Court's ruling pursuant to Rule 23(f) of the Federal Rules of Civil Procedure, which was denied by the United States Court of Appeals for the Eighth Circuit on March 10, 2009. A corresponding mandate was issued by the Eighth Circuit on March 16, 2009.

Accordingly, having found that pre-trial proceedings on common matters have been substantially completed, the Court recommends that the Judicial Panel on Multidistrict Litigation remand the cases on the attached Schedule A to the courts in which they originally were filed.

¹ Several cases were transferred subsequent to this date as "tag-along actions."

The Clerk of Court is directed to provide copies of this Order to the Clerk of the Judicial Panel on Multidistrict Litigation and to the Clerk of the transferor district court.

IT IS ORDERED.

Dated this 27th day of March, 2009.

RONALD E. LONGSTAFF, Senior Judge
United States District Court
